- Internal and external ash lips
- Self levelling rear legs
- Top or rear flue fitting
- Lifetime guarantee on stove body

## Signature DEFRA exempt

This new addition to the Signature collection is DEFRA exempt for use in Smoke Control Areas. The curved glass and clean modern lines of the Signature stoves have been coupled with the practical needs of today's stove users, to provide a contemporary wood stove that meets DEFRA's stringent approval. In addition, it has the option of a Direct Air Supply kit, making it ideal for modern sealed houses.

For more information and a list of the areas that have been designated a "Smoke Control Zone" please visit:
